ATTN: CONTEST

Tom,

Here it is. There are two for the 2068, one on each side. The instructions for each in addition to the hard copy, enclosed, is recorded after the program, each program saved 3 times, in Tasword II formats with the name "instr".

Please enter both in the contest and I hope you have more entries than reported in volume 2:4. I think they are a good idea and hope you will continue them.

Sincerely,

Kenneth E. Majors
